These scales are for Eb Horn (tenor horn). For this grade, you need to learn Harmonic AND Melodic for your minor scales. All scales and arpeggios should be played legato tongued, staccato and legato. The scales should be played from memory. The scales from the previous grades should also be memorised, although they may or may not be used in the ABRSM practical exam. Scales should be played at $\text{♩} = 116$ and all arpeggios (including dominant and diminished 7ths) should be played at $\text{♩} = 66$.
